DETAILED ACTION

REASONS FOR ALLOWANCE

1. Claims 1, 3-10, 14, 15, 17, 19-24 are found to be allowable.
2. The following is an examiner's statement of reasons for allowance:
3. The applicant's amendments to the claims have put the instant case in condition for allowance. The prior art of record fails to teach or suggest the specific combination of the hydroxycarboxylic acid, the hydrogen peroxide and the imidazoline in the specific weight percent ranges added by amendment. Nor does the prior art provide the motivation for the combination of compounds in the newly required weight percentage ranges. As such the instant claims are found to be allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory E. Webb whose telephone number is 571-272-1325. The examiner can normally be reached on 9:00-17:30 (m-f).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Pyon can be reached on 571-272-1498. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
